

PLANT LIST Water-Wise Trees and Shrubs for the High Plains

By Steve Scott, Cheyenne Botanic Gardens Horticulturist 03302004 © Cheyenne Botanic Gardens 2003 710 S. Lions Park Dr., Cheyenne WY, 82001 www.botanic.org

The following is a list of suitable water-wise trees and shrubs that are suitable for water-wise landscaping also known as xeriscapes. Many of these plants may suffer if they are placed in areas receiving more than ¾ of an inch of water per week in summer.

Even drought tolerant trees and shrubs are doomed to failure if grasses or weeds are growing directly under and around the plant, especially during the first few years. It is best to practice tillage, hoeing, hand pulling or an approved herbicide to kill all competing vegetation for the first five to eight years of establishment. Avoid sweetening the planting hole with manure or compost. If the soil is needs improvement, improve the whole area, not just the planting hole. Trees and shrubs generally do best well with no amendments.

Many of the plants listed here are not available in department type stores. Your best bets for finding these plants will be in local nurseries- shop your hometown first! Take this list with you. Encourage nurseries and landscapers to carry these plants!

For more information on any of these plants please contact the Cheyenne Botanic Gardens (307-637-6458), the Cheyenne Forestry Department (307-637-6428) or your favorite local nursery.

CODE KEY- The code key below will assist you in selecting for appropriate characteristics.

- C This plant is susceptible to iron deficiencies in our soil. This is seen when the new growth yellows. Add iron at recommended rates when this happens.
- F This plant displays colorful leaves in the fall.
- G This plant is best used as a ground cover.
- N This plant is native to our area and is ideal for drier areas, however, it is susceptible to overwatering after establishment.
- S This plant can tolerate growing in some shade.
- Sh This plant, when mature, is a good shade tree.
- W This plant has fruits or flowers that attract wildlife.
- Wi- This plant provides good winter interest.

SHRUBS, BROADLEAF			
Botanical Name	Common Name	Code	
Acer grandidentatum	Big-tooth Maple	F	
Amelanchier alnifolia	Serviceberry or Saskatoon	C, S, W, N, F	
Amelanchier utahensis	Utah Serviceberry	W, N	
Amorpha canescens	Leadplant	N,	
Artemisia tridentata	Big Western Sage	N, Wi	
Atriplex spp.	Saltbush	N, W, Wi	
Buddleja alternifolia	Fountain Butterfly Bush	W	
Caragana spp.	Peashrub	W	
Caryopteris x incana	Dark Knight Spirea	W	

SHRUBS, BROADLEAF continued			
Botanical Name	Common Name	Code	
Ceanothus fendleri	Buckbrush	N, W, G	
Ceratoides lanata	Winter Fat	N, W	
Cercocarpus ledifolius	Curl Leaf Mountain Mahogany	N, Wi	
Cercocarpus montanus	True Mountain Mahogany	N	
Chamaebatiaria millefolium	Fernbush	N, Wi	
Chrysothamnus spp.	Rabbitbrush	N, Wi	
Cowania spp.	Cliffrose	N	
Cytisus purgans	Broom Plant	Wi	
Ephedra viridis	Mormon Tea	N, W, Wi	
Fallugia paradoxa	Apache Plume	N, Wi	
Forestiera neomexicana	New Mexico Privet	N, W	
Fraxinus anomala	Singleleaf Ash	N	
Hippophae rhamnoides	Sea Buckthorn	W	
Holodiscus dumosus	Rock Spirea	N, F	
Jamesia Americana	Waxflower	N, F	
Lonicera utahensis	Utah Honeysuckle	N, W	
Perovskia atriplicifolia	Russian Sage	W	
Philadelphus lewisii	Lewis Mock Orange	N	
Physocarpus monogynus	Mountain Ninebark	N, F, S	
Prunus Americana	American Plum	C, N, F, W	
Prunus besseyi	Western Sand Cherry	C, N, F,W	
Ptelea trifoliata	Wafer Ash, Hop Tree	F	
Quercus gambellii	Gambel Oak	F, N, W	
Rhus glabra cismontana	Rocky Mountain Sumac	F, N	
Rhus trilobata	Three Leaf Sumac	F, N, W	
Ribes aureum	Golden Currant	N, W	
Ribes cereum	Wax Currant	N, W	
Ribes odoratum	Clove Currant	N, W	
Robinia neomexicana	New Mexico Locust	N	
Rosa foetida 'Persiana'	Persian Yellow Rose	W	
Rosa woodsii	Wood's Rose	N, W, S	
Shepherdia argentea	Silver Buffaloberry	N, W,	
Shepherdia rotundifolia	Roundleaf Buffaloberry	N, W	

SHRUBS, EVERGREEN			
Botanical Name	Common Name	Code	
Artemisia tridentata	Big Western Sage	N, Wi	
Atriplex spp.	Saltbush – Four wing	N, W, Wi	
Cercocarpus ledifolius	Curl Leaf Mountain Mahogany	N, Wi	
Chrysothamnus spp.	Rabbitbrush	N, Wi	
Juniperus chinensis	Pfitzer Juniper	D, Wi	
Juniperus communis	Common Juniper	N, Wi	
Juniperus horizontalis	Groundcover Junipers	G, Wi	
Juniperus Sabina	Savin / broadmoor Juniper	Wi	
Juniperus scopulorum	Table Top Blue	N, Wi	
Mahonia haematocarpa	Desert Holly	N, Sh, W, Wi	
Pinus mugo	Mugo Pine	Wi	
Yucca glauca	Soapweed	N, Wi	

TREES, EVERGREEN			
Botanical Name	Common Name	Code	
Juniperus monosperma	Oneseed Juniper	N, W, Wi	
Juniperus osteosperma	Utah Juniper	N, W, Wi	
Juniperus scopulorum	Rocky Mountain Juniper	N, W, Wi	
Juniperus virginiana	Eastern Red Cedar	Wi	
Pinus aristata	Bristlecone Pine	N, Wi	
Pinus edulis	Pinyon Pine	N, W, Wi	
Pinus flexilis	Limber Pine	N, Wi	
Pinus nigra	Austrian Pine	Wi	
Pinus strobiformis	Southwestern White Pine	N, Wi	
Pinus ponderosa	Ponderosa Pine	N, Wi	

TREES, BROADLEAF			
Botanical Name	Common Name	Code	
Acer tataricum	Tatarian Maple	C, F	
Celtis occidentalis	Hackberry	Sh, N	
Crataegus ambigua	Russian Hawthorn	W, F	
Crataegus crusgalli	Cockspur Hawthorn	W, F	
Elaeagnus angustifolia	Russian Olive	W	
Gymnocladus dioica	Kentucky Coffee Tree	Sh	
Quercus macrocarpa	Burr Oak	Sh, F, W
