Community Accomplishments Reporting System for Urban & Community Forestry Program

You are here: [National](#) / [Southern Region](#)

## Welcome

Welcome to the Community Accomplishment Reporting System (CARS) for Urban and Community Forestry. This system will collect, store and report information on urban and community forestry programs at the national, regional, and state level. For support, please contact the National Information Center Help Desk by phone at 651-649-5243 or by email at [spfnic@fs.fed.us](mailto:spfnic@fs.fed.us). For information on enhancements and bug fixes, please read the [CARS Release History](#).

## Southern Region FY2005 Summary

| Category | Measure   | Result     |
|----------|---|------------|
| OUTCOMES |   |            |
| 1.       | Percent of population living in communities <b>managing</b> programs to plant, protect and maintain their urban and community trees and forests.  | 30.15%     |
| 2.       | Percent of population living in communities <b>developing</b> programs and/or activities to plant, protect and maintain their urban and community trees and forests.  | 36.99%     |
| OUTPUTS  |   |            |
| 1.       | Number of people living in communities provided educational, technical and/or financial <b>assistance</b> .   | 41,384,384 |
| 2.       | Number of people living in communities that are <b>developing</b> programs/activities for their urban and community trees and forests.  | 22,798,650 |
| 3.       | Number of people living in communities <b>managing</b> their urban and community trees and forests.   | 18,585,734 |
| 4.       | Number of communities with active urban & community tree and forest <b>management plans</b> developed from professionally-based resource assessments/inventories.   | 454        |
| 5.       | Number of communities that employ or retain through written agreement the services of <b>professional forestry staff</b> who have at least one of these credentials: (1) degree in forestry or related field and (2) ISA certified arborist or equivalent professional certification.               | 601        |
| 6.       | Number of communities that have adopted and can present documentation of local/statewide <b>ordinances or policies</b> that focus on planting, protecting, and maintaining their urban and community trees and forests.   | 1,129      |
| 7.       | Number of communities with <b>local advocacy/ advisory organizations</b> , such as, active tree boards, commissions, or non-profit organizations that are formalized or chartered to advise and/or advocate for the planting, protection, and maintenance of urban and community trees and forests. | 1,002      |
| 8.       | Number of hours of <b>volunteer service</b> logged.   | 203,995    |

|            |   |            |
|------------|---|------------|
| 13.        | Amount of <b>Federal (USFS) funding</b> to States.  | 7,038,715  |
| DEMAND     |   |            |
| 1.         | Number of people living in communities that have the <b>potential to develop management programs</b> for their trees and forests with assistance from UCF technical, financial and/or educational program services. | 61,638,483 |
| 2.         | Number of people living in communities <b>not managing, or developing</b> programs to manage, their urban and community trees and forests.  | 20,254,099 |
| EFFICIENCY |   |            |
| 1.         | Federal (USFS) dollar cost or <b>expenditure per capita</b> in community assisted.  | \$ 0.17    |
